Dear Students

I hope that all of you are safe and sound

With the evolving situation of the Corona virus in the U.S., it is of utmost importance that you follow the CDC, your university, and local authority's guidelines of remaining in your home to minimize your chance of contracting the virus.

Please make sure that you have enough supplies (i.e. food and water) for the next couple of weeks.

For those of you who expressed their concerns regarding the limited water and food supplies at local grocery stores, please note of the following stores and food suppliers where you can shop for groceries and other necessities online:
